SYNOPSIS

Carlo Pietrobelli is a professor and policy advisor with over 30 years of experience on innovation and industrial development and policy. He is currently Professor of Economics at the University of Roma Tre, Italy, Professorial Fellow at UNU-MERIT, Maastricht, and Adjunct Professor at Georgetown University, Washington D.C..

He was Lead Economist at the Inter-American Development Bank (November 2009-November 2016), where he was in charge of designing and managing programs to promote competitiveness and innovation in Latin America and the Caribbean. He was actively involved in policy dialogue and advice to most Governments in the region. His activities included: cluster and value chain programs, the impact evaluation of such programs, innovation and industrial policies, support to Competitiveness and Innovation Councils, programs for local economic development, productive corridors, programs and institutions to support technology transfer and small and medium-sized enterprises development.

He directed the Research Centre on the Economics of Institutions (CREI) at the University of Rome Tre, Italy, where he was also Deputy Rector for promoting University-Industry linkages and Head of the Industrial Liaison Office of the University during 2005-2009.

He has published widely in international journals and his last books were published by Harvard University Press, Edward Elgar, Palgrave and Routledge. He holds a PhD in Economics from the University of Oxford, UK, and has been a regular advisor to international organizations such as the European Commission, the World Bank, IFAD, UNIDO, UNCTAD, ECLAC, CAF, and the OECD. He has worked in most countries in Latin America and in many Sub-Saharan African and Asian countries.

- University of Bologna, Italy, “Comparative Local Development in Latin America”, at the Master in Development, Innovation and Change, (since 2001), <http://www.dse.unibo.it/midic/>

1998-2001

Associate Professor of Economics

University of Molise, Campobasso

1991-1998

Tenured Lecturer (Ricercatore) in Economics

University Tor Vergata, Rome

Nov. 2009 –

Lead Economist

Nov. 2016

Inter-American Development Bank, Competitiveness, Technology and Innovation Division, www.iadb.org

At the IDB he was in charge of designing and managing programs to promote competitiveness and innovation in Latin America and the Caribbean. He was actively involved in policy advice to Governments in the region, recently in Mexico, El Salvador, Dominican Republic, Argentina, Brazil, Chile, Costa Rica, Jamaica, Surinam and Trinidad and Tobago. He was the leader of the Regional Policy Dialogue on Innovation initiative (<http://www.iadb.org/en/research-and-data/regional-policy-dialogue/innovation,2400.html>) gathering policymakers from Latin America every year. His main activities included (among others):

- The design of an investment loan (US\$ 150m.) to the Government of Mexico (Ministry of the Economy) to strengthen cluster, value chains and exports.
- The design of an investment loan (US\$ 40m.) to the Government of Trinidad and Tobago to strengthen the national innovation system.
- The design of a policy-based and of an investment loan (US\$ 30m.) to the Government of Surinam to strengthen the country’s competitiveness and innovation. Design of a specific value chain promotion fund.
- The design of an investment loan (US\$ 50m.) for the Government of Argentina to develop a programme to promote the development of Small and Medium-sized Enterprises in the country.
- The design of an investment loan (US\$ 30m.) to the Government of El Salvador to strengthen the development of local productive corridors and enhance the integration of the fishing sector into value chains and the formal economy.

- The design and management of a technical assistance programme to support the creation and strengthening of the Caribbean Center for Competitiveness at the University of West Indies, in Trinidad and Tobago, Barbados and Jamaica (<http://www.uwi.edu/ccfc/>).
- The design of an investment loan to the Government of Chihuahua, Mexico, to create a Development Agency and promote the technological strengthening of local firms and their integration into global value chains in the electronics, aerospace and agro-industrial sectors.
- The impact evaluation of cluster and value chain programs managed by the IDB in Latin America.
- The analysis and assessment of the programs supporting Competitiveness and Innovation Councils in Latin America.
- The research leading to the IDB, 2014, *Rethinking Productive Development: Sound Policies and Institutions for Economic Transformation*, Macmillan, annual flagship report of the Bank, <http://www.iadb.org/en/research-and-data/publication-details,3185.html?id=2014>
- He received an award as 3rd most quoted author of the IDB as at October 2014 (source: <http://scholar.google.com/>)

DETAILS OF PROFESSIONAL AND CONSULTING EXPERIENCE (Short-medium term assignments for policy advice, project/programme identification or evaluation, research)

IADB (Inter-American Development Bank), before 2009

Honduras (2018)	Identification of a program to support value chain integration in Honduras
Mexico (2008-09)	Identification of Projects to Support <i>Regional Innovation Systems</i> in Mexico
Chile (2008)	Support to the design of Competitiveness Programs in Chile's Northern Regions
Brazil (2005)	Team leader of Support to the design of <i>Competitiveness Development Programs</i> of selected clusters in Minas Gerais and Pernambuco
Chile (2004 and 2005)	Final and Intermediate Evaluations of project on "Strengthening productive integration with selected value chains and SMEs", Chile for MIF (Multilateral Investment Fund)
Brazil, Chile, Mexico, Nicaragua, Italy (2002-2003)	Team Leader of study on 'Value Chains and Enterprise Clusters: Lessons and Best Practices from the Latin American Experience'. Leader of a team of 12 researchers from Latin America and Europe.
MERCOSUR (1997)	Identification of project on promotion of SME Competitiveness and Regional Integration in the MERCOSUR Countries

European Commission

Burkina Faso, Senegal, Trinidad & Tobago, Barbados (2007-2008)	Monitoring the PROINVEST Programme (8 ACP TPS 108/17)
MERCOSUR (2004-2005)	Team Leader, <i>Regional Strategy Paper</i> for EC economic cooperation with MERCOSUR for years 2007-13 (for RELEX and AIDCO)
Bolivia (2001-2002)	Identification of a <i>Trade Development and Investment Promotion Programme</i> in Bolivia (BOL/AIDCO/2002/0003)
Guatemala, Panama, Costa Rica, Argentina, Uruguay (2000-01)	Team leader for the Latin American sub-component. "Evaluation of Economic Cooperation of the EU with Asia and Latin America"
Italy, Taiwan (1998-2000)	Research Project on 'SMEs in Europe and East Asia'. (TSER Programme) with Universities of Oxford, Athens, Jerusalem, Edinburgh, IAI Rome, and Universities in Japan, South Korea and Taiwan.
Chile (1997-98)	"Comparative Analysis of Services in the European Union and Chile"
Namibia (1997 and 1998)	Transitory Trade and Investment Development Programme" for Namibia's Ministry of Trade and Industry
MERCOSUR (1997)	Comparative Analysis of Services in the EU and MERCOSUR.
Belgium – Italy (1997)	Evaluation of Regional Co-operation of the EU in Latin America
Turkey and Europe (1996-98)	Research Project on 'Science and Technology Policies in Developing Countries' (TSER Programme), with Universities of Oxford, Athens, Venice, d'Agliano Centre, Turin.
Armenia (1995)	(TACIS) Team Leader, Policy Advice Programme (No. AR 03-10-94-021) to the Government of Armenia: 'Industrial Policy: Restructuring of Strategic Sectors, Armenia'.

Ghana (1994)	Evaluation of the EC-support to the Structural Adjustment Programme in Ghana
Ghana (1994)	Enhancing Enterprise Privatisation and Restructuring in Ghana. Identification and draft of a plan of action for the EC.

IFAD, International Fund for Agricultural Development, United Nations

Latin America (Southern Cone) (2007–2008)	Strategic Consulting to the IFAD Director for Latin America and the Caribbean on <i>IFAD Strategy on Biofuels and Climate Change</i> for the Southern Cone of Latin America
Latin America (Southern Cone) (2006–2007)	Strategic Consulting to the IFAD Director for Latin America and the Caribbean on <i>IFAD Strategy Paper for the Southern Cone of LA</i> .
Italy (2006)	Strategic Policy Advice to IFAD Direction for Latin America and the Caribbean on IFAD Performance-based System for Resources Allocation

UNCTAD, United Nations Conference on Trade and Development

Uganda (2018-19)	Consultant to Uganda's Science, Technology and Innovation Policy (STIP) Review.
Switzerland (2006-07)	Background paper for UNCTAD LDCs Report 2007 on "Upgrading to compete: global value chains, clusters and SMEs in the African Least Developed Countries".
Angola (2006)	<i>Science, Technology and Innovation Policy Review</i> for Angola http://unctad.org/en/pages/PublicationArchive.aspx?publicationid=1444
Morocco (2005)	Presentation and paper for Experts' panel on "Conference of Science and Technology for Development"
Uganda and Ghana (1999-2000)	Joint (UNCTAD/WTO/ITC) project on "Policies for Transfer of Technology."
Uganda (1999)	Report of 'Foreign Direct Investment and Technology Transfer' for " <i>Uganda's Investment Policy Review</i> "
Finland (1996)	<i>Rapporteur</i> at Helsinki Workshop on 'Technology Partnership for Capacity-Building and Competitiveness' Division for S&T.
Switzerland (1995)	Paper on 'Promoting technological partnership among small and medium-sized enterprises'

UNIDO, United Nations Industrial Development Organization

Saudi Arabia (2017)	Scientific coordinator of training program on Industrial Policy for Senior Saudi Arabia Government Officials. Senior Industrial Policy Specialist.
Austria, India, Ethiopia, (2008-09)	Evaluation of UNIDO's Cluster Development Programmes Worldwide, Team Leader, http://www.unido.org/fileadmin/user_media/About_UNIDO/Evaluation/Project_reports/e-book_cluster-report.PDF
Austria (2000)	background paper for the World Industrial Development Report (WIDR) 2002-03 on "National Industrial Systems in Africa"
Austria (1996)	Preparation of Programme of training and activities on Technology Transfer Management
Zambia (1994)	Trainer in 'Technology Transfer' for the <i>Zambia Investment Centre</i> '.

The World Bank

Ethiopia (1994)	Mission for 'Private Sector Development Action Plan' for the Government of Ethiopia
-----------------	---

ECLAC, United Nations Economic Commission for Latin America and the Caribbean

Italy, Chile (2000-01)	Paper on "Markets and Business Development Service Centres (BDSC): The Northern Italy Experience and its Relevance for Latin America".
Chile and Italy (1998-99)	Scientific Coordination of International Seminar "The Globalization of the Financial Markets and its Effects on the Emerging Countries", Santiago, March 1999, with International J. Maritain Institute
Chile (1989)	Paper for project 'Dynamic Comparative Advantages and the Developing Countries', directed by F.Fajnzylber, with UNIDO
Chile (1988-89)	International Industrial Co-operation between Chilean and Italian SMEs, with IFDA.

Others

Communication skills

He has excellent communication skills, acquired and developed through a career of over 25 years of international conferences. He was invited as keynote speaker in multiple conferences in countries as distant as for example China, South Africa, Brazil, Costa Rica, Taiwan, Turkey, Malaysia, Nicaragua, Trinidad and Tobago, the UK and the US. He is the author of more than ten books with international publishers such as Harvard University Press, Palgrave, Edward Elgar, Routledge, as well as Italian ones such as Il Mulino, Carocci, Apogeo. During his experience at the IDB he was the head of the knowledge management unit of his division, where he developed webpages, blogs, knowledge repositories.

Organisational / managerial skills

Carlo Pietrobelli has developed advanced organizational and managerial skills in a variety of different contexts. During his seven years at the IDB he has acted as coordinator of the Division’s activities in Central America and Mexico, managing a team of ten specialists and a current portfolio of over US\$200 M. He developed the skills to manage multicultural groups, as his team has always included experts from a variety of different nationalities.

Prior to this, during his academic career, he covered several managerial functions as Deputy Rector, Director of a research Center (CREI), and team leader of several research projects within the University and with many international and national organizations.

Other skills He has worked in most countries in Latin America and in many Sub-Saharan African and Asian countries. He is therefore very skilled in leading work teams and developing strategies within a multicultural framework.
