Referee for the following academic journals (in various years): *Finanza, Marketing e Produzione*-Egea, *Rivista di Politica Economica*-Sipi, *Economia Politica*-Il Mulino, *Journal of Management and Governance*-Springer, *Banca Impresa Società*-Il Mulino, *Applied Financial Economics*-Francis&Taylor, *International Journal of Finance and Economics*-Wiley, *Journal of Cooperative Organization and Management*-Elsevier, *Asia-Pacific Financial Markets*-Springer, *PSL Quarterly Review*-Associazione Economia Civile

Past referee for publications of the Research Department of Mediobanca Group.

Research activity

Current research areas

- portfolio strategies and macroeconomic risk factors
- performance/risk of ESG portfolio strategies (compared to non-ESG)
- cost of capital for small business
- asymmetric information, country culture and dividend policy
- formal vs effective compliance to CG Codes of financial and non-financial companies
- gender diversity on boards
- finance of non-financial cooperatives
- cooperative banks from ESG perspective
- conflicts of interests in corporate governance and in capital market structure
- assessment of the economic-financial convenience of energy-saving retrofit investments.

Scientific coordinator/principal investigator of various research projects in various past years (research grants by CNR, PRIN, MIUR ex 40%-60%, etc.).

Recent research grants (member/PI):

- research project group PRIN 2022 - *MATCH-RES Multidimensional Analysis To Connect Housing Retrofit with Energy Sharing awareness* [RU Roma Tre – PI: prof.ssa Chiara Tonelli], 2022 (**financed: rank 41/89**) [member of R3 RU]
- Technopole Research Project “*ESG Portfolio strategy returns and global macroeconomic risk factors*”, Rome Technopole, July 2024-June 2026 [PI]
- research project group “*SOS: Sustainability of Schools*” as regards the cost-benefit analysis of retrofit and uses frameworks for energy sustainability, indoor environmental quality (IEQ) and salubrity of educational buildings (*Roma Tre University Grant, Call for ideas, 2018-2020*) [member]
- research project group PRIN 2020 - *PROMISIS – PROMoting Innovative and Sustainable Insulation of buildings through a comprehensive characterization* [RU Roma Tre – PI: prof. Francesco Asdrubali], 2021 (not financed: rank 52/373) [member of R3 RU].

Scientific Coordinator of the GoFIN Lab (Department of Economics – Roma Tre University): studies on the international financial system and the implications deriving from the governance systems of operators (banks and NFC), gatekeepers and regulators. The research activity makes use of datasets (self-developed or in available access) to carry out analyses, modeling, evaluations, as well as to empirically formulate/test statistical-econometric models aimed at research objectives.

Mentorship of PhD students within IMPACT (Innovative Mediterranean Partnership for Advancing Collaborative Teaching) Project – NextGeneration EU (October-December 2025).

In the top 10% of Authors on SSRN (Social Science Research Network) by total new downloads within the last 12 months (January, 2023). 4000 total paper downloads SSRN milestone reached (September, 2020). Current author rank: 19,114 out of 2,503,029.

Scientific Director of the post-graduate Master on “Cooperatives: Economics, Law and Management” [Roma Tre University, Italian Cooperatives Alliance] (2021-2022 and 2022-2023 editions).

Professional/managerial activity

Member of the Supervisory Board of Banca Popolare di Milano (2016) and member of Balance Sheet Internal Committee.

President of Board of Statutory Auditors of Sarnese Vesuviano srl (Acea group) (2014-2017).

Member of Ismea (Institute of Services for Food and Agricultural Industry) Rating Committee (2008-2011): solvency assessment and rating assignment of Italian firms operating in Food and Agricultural Industry.

President of the Task Force for Managerial Evaluation of Ente Parco dei Sibillini (2003-2005).

Expert Member of the Task Force for Managerial Evaluation of Marche Region (1996-1999).

Expert Member of the Assessment Committee of Macerata University (1995-1997).

Expert Member of the Workload Assessment Committee of Macerata University (1995-1996).

Expert member of the Italian University Regulation Committee (MIUR - Italian Ministry of University & Research) (1998).

From 1982 to 1990: Partner/Consultant of Management Models srl (managerial consulting for banks/industrial firms/public institutions supported by DSS and simulations models).

From 1990 to date: Free-lance consultant or in charge of managerial consulting firms. Applied research and managerial consulting/training for various banks, industrial firms and public institutions (i.e., Monte dei Paschi di Siena Group, Capitalia, Telecom Italia, Finsiel, Italian Ministry of Production Activities, Enel Group, Marche Region, IRI-Management, Spegea, Formez, LUISS Business School, Ifoa, IBL Banca, LegaCoop) in the following areas:

- corporate finance: cost of capital, capital structure choice, performance/risk measurement, financial assessment of firms-investments-strategies, financial feasibility and business planning; cost/benefit analysis; multicriteria methods to assess public investments
- banking: cost of capital measurement, capital assessment in M&As, credit risk measurement, management control
- corporate governance (firms and banks): CG Code compliance, managerial evaluation, managerial compensation.

In charge of design and implementation of business-games, simulation models, decision support systems for managerial consulting in banks, industrial firms and public institutions. Main projects:

- business game of manufacturing firm management
- banking game [business game of bank branch management]
- business game of hardware/software franchising

- DSS of firm creditworthiness assessment and rating assignment [for banks]
- DSS of market analysis and business planning for a bank branch
- DSS of cash flows forecasting and analysis
- DSS of pension fund management for private sector managers
- DSS of market analysis and business planning for telecommunication industry
- DSS of managerial evaluation in public sector.

From 1979 to 1980: Bank of Italy (Bologna and Rome).

Member of Programming Committee (2013-2017 and from 2022 to date) and Department Council (2019-2022) of the Department of Economics – Roma Tre University.

Language, e-skills and interests

- English: advanced level oral and written
- Knowledge and advanced using on office operating tools and main econometric-statistical software/MCDA (E-views, SPSS-IBM + AMOS, Gretl, MAXQDA, M-Macbeth, etc.)
- Knowledge and advanced using on the most widespread national/international datasets in economic and financial areas (datasets Mediobanca, Aida, Amadeus, Datastream, BankFocus, Bach-ESD, Eurostat, IMF, EBSCO-Business Premium, MarketLine, etc.)
- Blogger: <https://finanzanow.blogspot.com/> (short papers and posts on current issues in economics and finance and rather more...).
